## BIO

**Leo MacLeod** has been helping firms with planning, training, and leadership transition for eighteen years, with a focus on developing the next generation of leaders. He writes the “Learning to Lead” column for the *Daily Journal of Commerce*. He speaks nationally on leadership development and emotional intelligence. Former ad executive and marketer, Leo is the past president of the American Marketing Association and is an active member of the Association for Talent Development. He developed the Portland State University Marketing Certificate program and has lectured at the University of Washington, Portland State, and the University of Portland.
